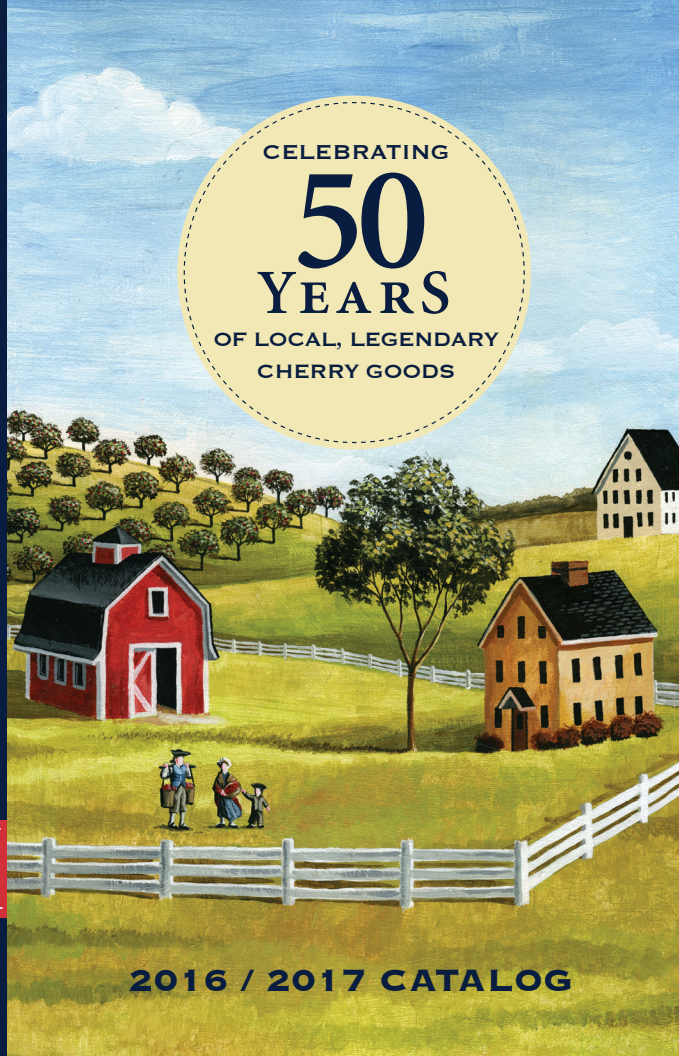
TRAVERSE CITY'S ORIGINAL CHERRY SHOP



THE FLAVOR OF NORTHERN MICHIGAN IN EVERY SPOONFUL.

Our Northern Michigan climate is ideal for growing cherries. Cool breezes off the bay temper summer's heat. In winter, the warmer water protects trees from winter's grasp. At Benjamin Twiggs, we select only the very best and freshest of the local bounty to make our jams, jellies, and preserves. The love and care we put into every jar is easy to see... and taste.
